That's fine. I'm sending the same client agreement and information to Darren that we discussed in Paris back in November.

I will forward you Solina's comments shortly, for your advice on what to incorporate and what to resist. I will also email you with the lawyers at Slaughter and May, who will send the investment papers. As for the name, which is ultimately a minor point, Jacob is rather attached to "hedosophia" which I actually like. It just merges the Greek words for "pleasure" and "wisdom".

We prefer this to the blander "partnership 53" because we want to establish a brand in elite circles, one that we can use for as a platform for some other things that we have been contemplating. I trust you will be ok on this point. Many thanks.

Look forward to seeing you in Paris. I will call you with a few further thoughts on Gates before Friday.

Jeffrey,

Good to speak earlier.

Please find attached the updated plan with timeline, which I've discussed extensively with Michael.

We believe this to be fast but achievable. Just to reiterate, by doing this you are not

obliged to put the finished site up. Of course, our instinct is that you should (and the sooner, the better) but it depends on your exact circumstances and plans at the time, and we recognise that these things are subject to change.

In the meantime, I will send our usual agreement to Darren.

Michael will begin work this week, and I will begin next Monday, January 9th.

Best wishes,

Ian
