Warwick

Attached are pictures of Jeffrey's Palm Beach pool cabana

We want to copy the gutter,hurricane shutter and awnning program.

We also need a overhang soffit for the shutter and awnning to hang under

The Palm beach overhang looks a little bigger than we need and he would like to see images with blue barrel tile and white paint, which complements the coral stone deck and blue waterline tile. Once we see the deck and shelter layout we can see where some blue tile inlays might fit in the deck as well

Thanks

Gary
