Subject: update on websites

Hi Jeffrey,

I'm focusing on non-science content for a bit and adding all of this to your www.jeffreyepstein.org site. It will be your general philanthropy site (non science). I've set up 6 pages. I want to get it back to the 1st page. I'll send you the link by the end of today.

I was advised to contrast it to your science website and blog (both of which are sticking to the 2nd page).

www.jeffreyepsteinfoundation.com Your science site.
www.jeffreyepstein.org. Your general philanthropy site. (non science)

www.thejeffreyepsteinfoundation.com You official blog site that documents everything.

I'll email you tonight.

thank you,
