Jeffrey,
I just met with Darryl Fry, Manager at Gulfstream PBI,. Gulfstream provides training slots to new and Used aircraft Acquisitions, Gulfstream did contact Flight Safety and requested us to receive the best price and discount for a GIV type was offered at \$32,700.00 (list price is \$49,000),.however this price does not compete with \$23,900 offered by simuflight. My best negotiations with Darryl did get us an extra \$10,000 discount, if the cockpit is accomplished in Palm Beach.
Bottom line:
Free LED light for cockpit capsules \$14,000 value
Free APU -100 loaner
less \$10,000 discount offered by Darryl,.

\$907,743.00 original total:
-\$ 25,000.00 Rusty discount
-\$ 10,000.00 Darryl discount

\$872,743.00 total cockpit upgrade, LED cockpit lights, infred camera, Tcas upgrade, Transponder ADSB-out upgrade, XM Weather.

is this approved ?

thank you,
Larry
