Jeffrey, i need your advise... i have a cacharel fragrance casting on Monday, agency says that i have to look my best and wearing a cocktail black dress.
So i was thinking i don't really have good short dresses...But if i wear my gucci dress it would be way too much!!! i have only one chance for impression. So i am thinking may be i should look kind of innocent, real..may be not focused too much on what am wearing..
what do you think?
