This week on Houzz

Need help finishing a room? [Houzzers can help](#). Do you live in a creative, colorful home? [We want to see it!](#)

17 Ways to Increase Your Home's Curb Appeal »

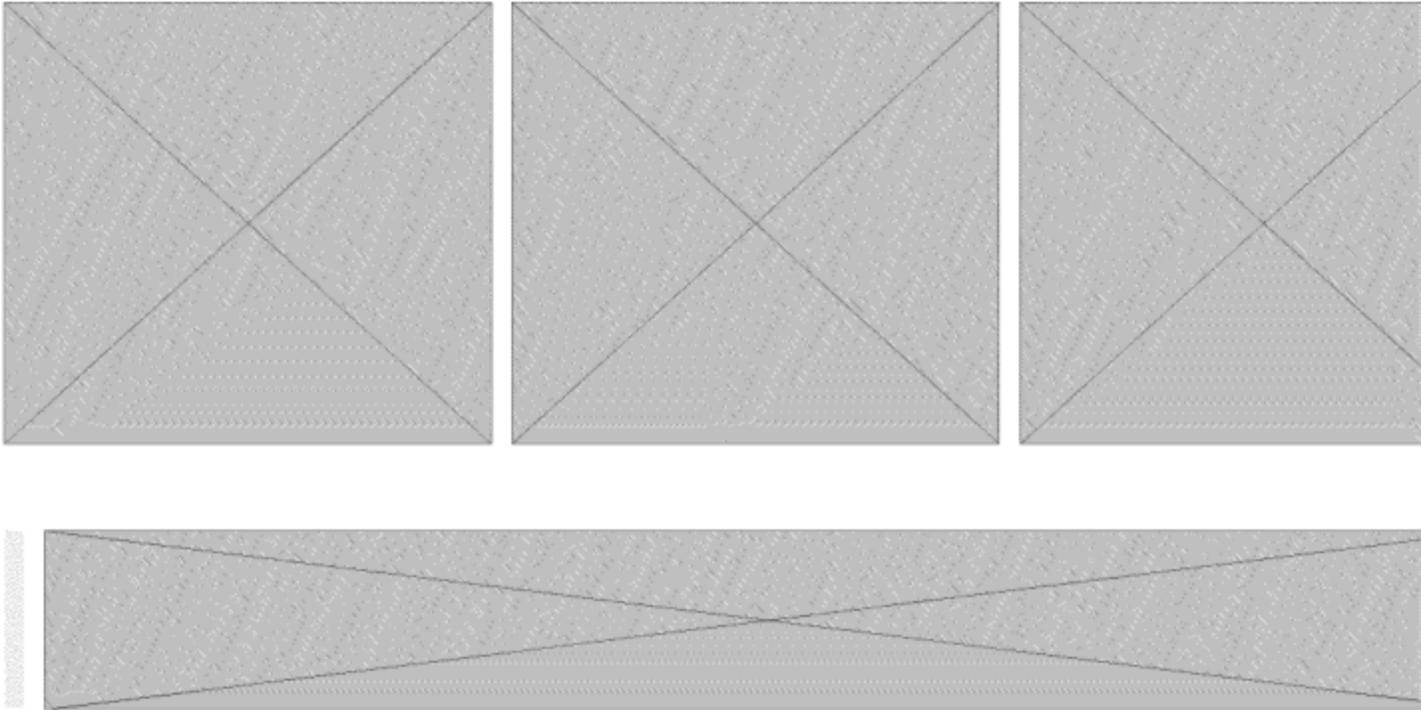

Even if you are not planning to sell your home anytime soon, a fresh and welcoming exterior is a wonderful thing to home to each day. From front doors, house numbers and porch furnishings to color schemes, landscaping and basic repairs,... more »

Kitchen of the Week: Drab and Dysfunctional to Radiant in Minnesota »

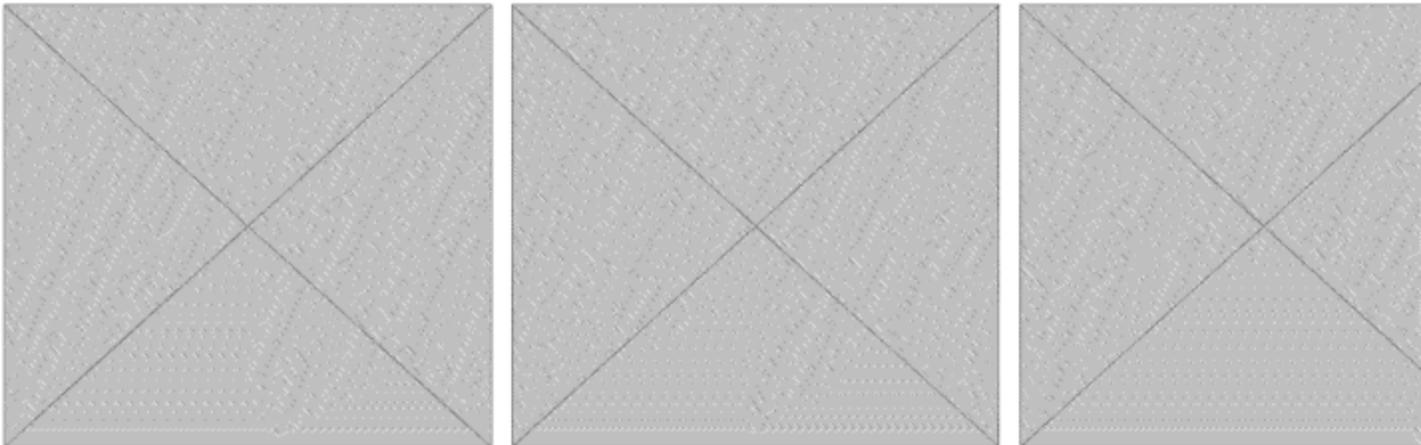

An outdated kitchen might be bearable, but a dysfunctional kitchen is a whole other story. For this Minnesota family finishes weren't ideal, but the lack of a work triangle, the poor lighting and a missing dishwasher needed to be fixed

more »

Build a Backyard Fish Pond Without Going Belly Up »

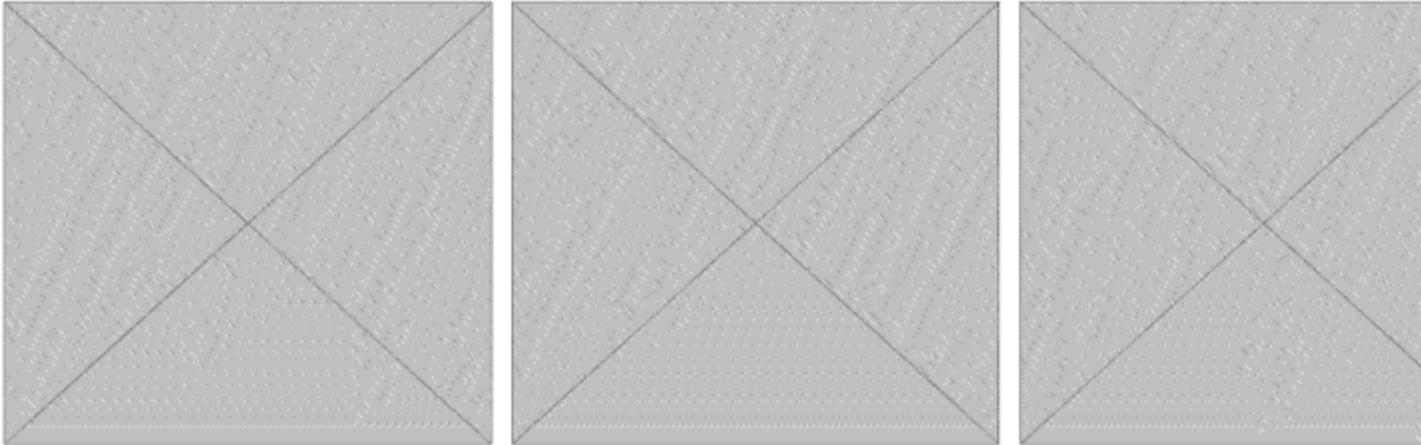

One of the most memorable times of my life was the week I spent in Hawaii for my brother's wedding. The resort on the beach, the sunshine, the warm weather, the mai tais and Lava Flows, morning swims in the ocean, sitting next to a waterfall,... more »

Weekend Project: Reinvent a Wine Crate »

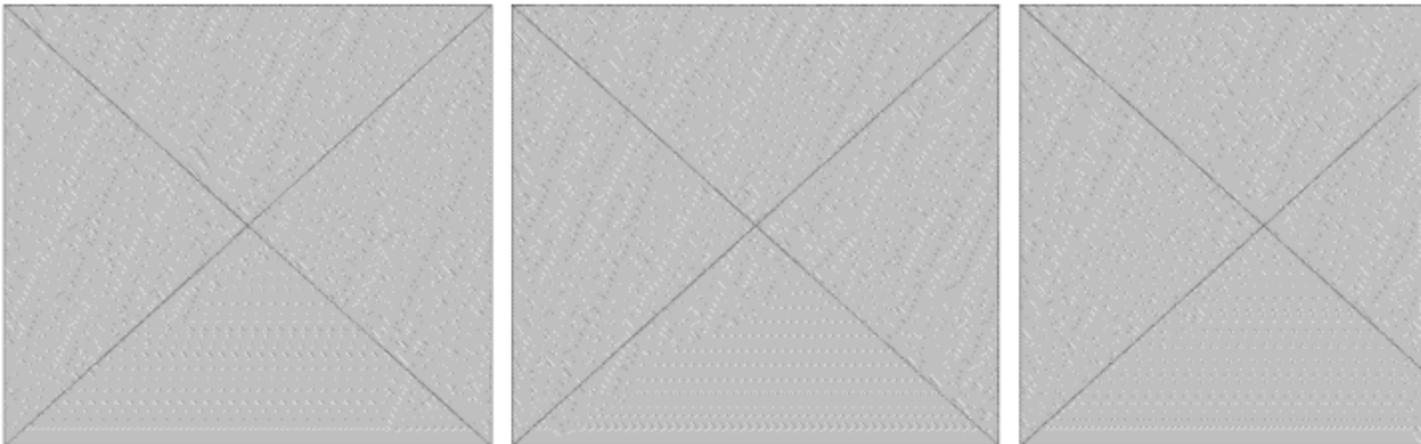

Sometimes a large DIY project just isn't what the day calls for. If you need a quick DIY fix, look no further than an

inexpensive wine crate. Imagine what you can do with a neat little box that may have traveled from overseas and still smells... more »

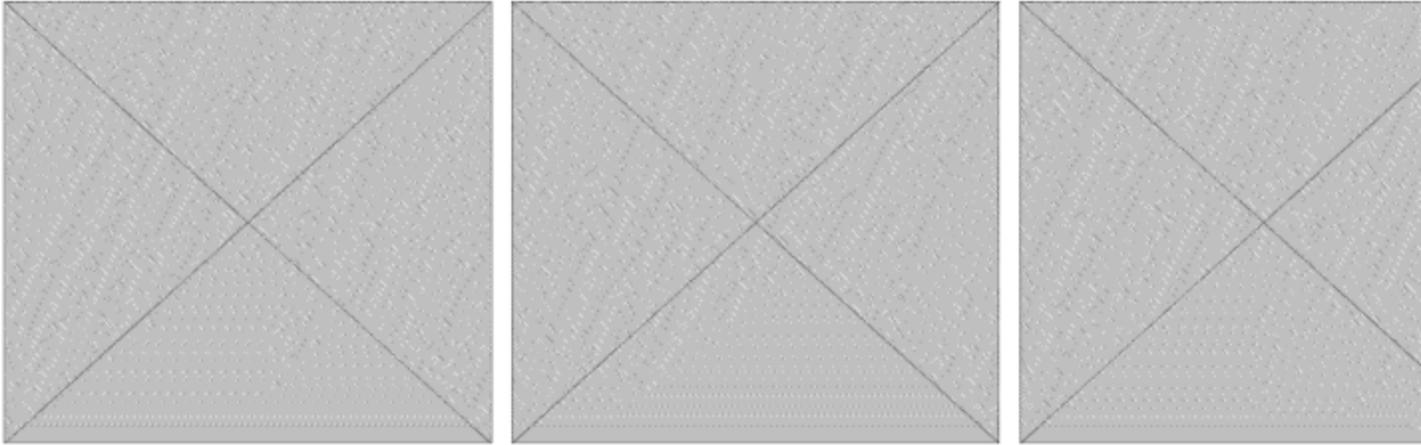

Houzz Tour: A Parisian Apartment Goes Modern and Bright »

Drawn to the wraparound terrace and stunning view of Paris' Left Bank, this home's owner decided the panorama was worth the 485-square-foot apartment's odd layout and funky decor. Husband and wife design duo Alon and Betsy K... gutted the space,... more »

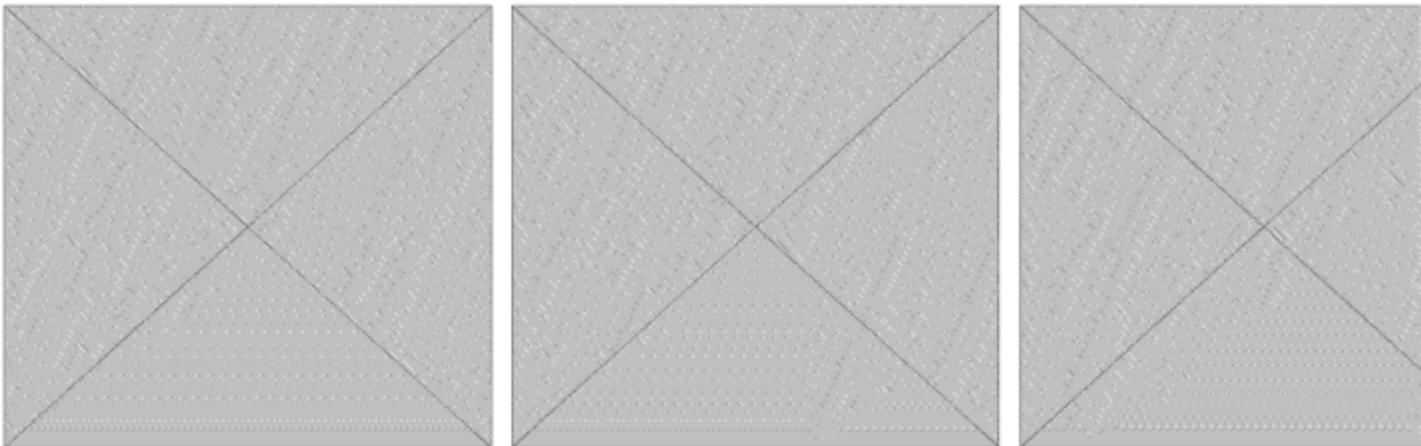

How to Save a Boring Box of a Room »

It would be wonderful if we all lived in architecturally innovative rooms with lovely angles and huge windows and amazing ceilings. But in reality most of us have a least one boring, boxy room to contend with. You know the kind: low ceilings, ... more »

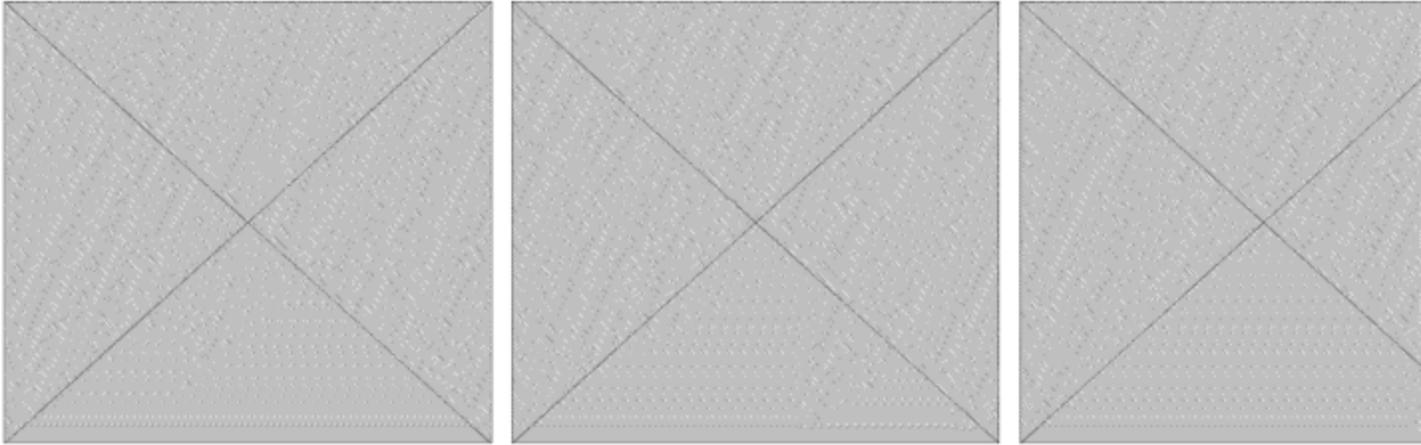

My Houzz: An Art-Filled Austin Home Has Something to Add »

After 20 years of growing his family and social circle, attorney Lanny Vickery felt the pressing need for a more versatile house than the one he'd lived in for so long. But the house was close to great restaurants, lively downtown Austin and more »

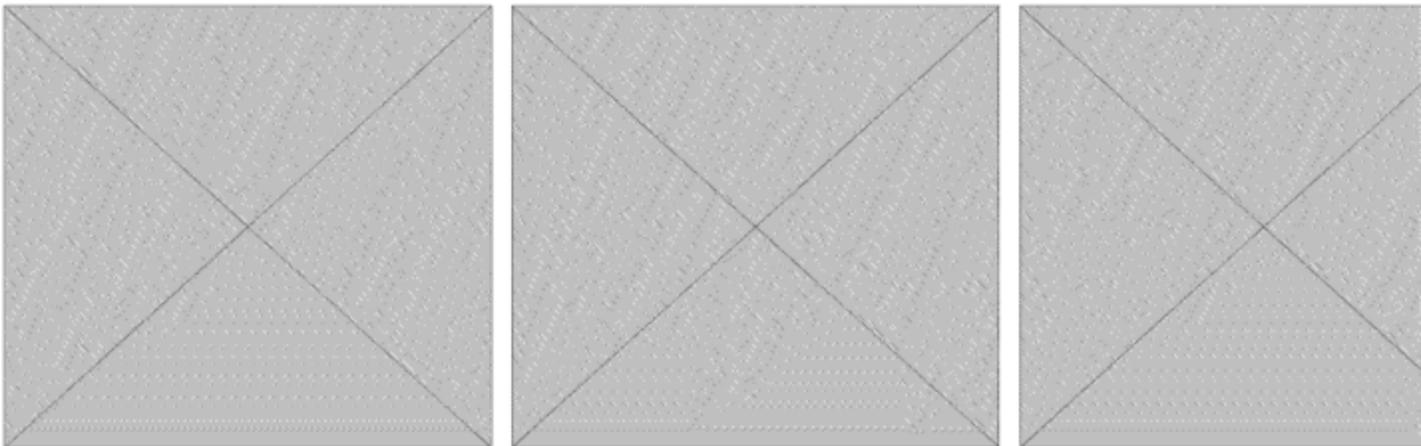

When Your Tastes Clash: How to Design and Decorate as a Couple »

No matter how long two people have been together or how much they've endured in their relationship, few things come to the challenges they face when it comes to redesigning the house. You may think you know your partner inside and out but... more »

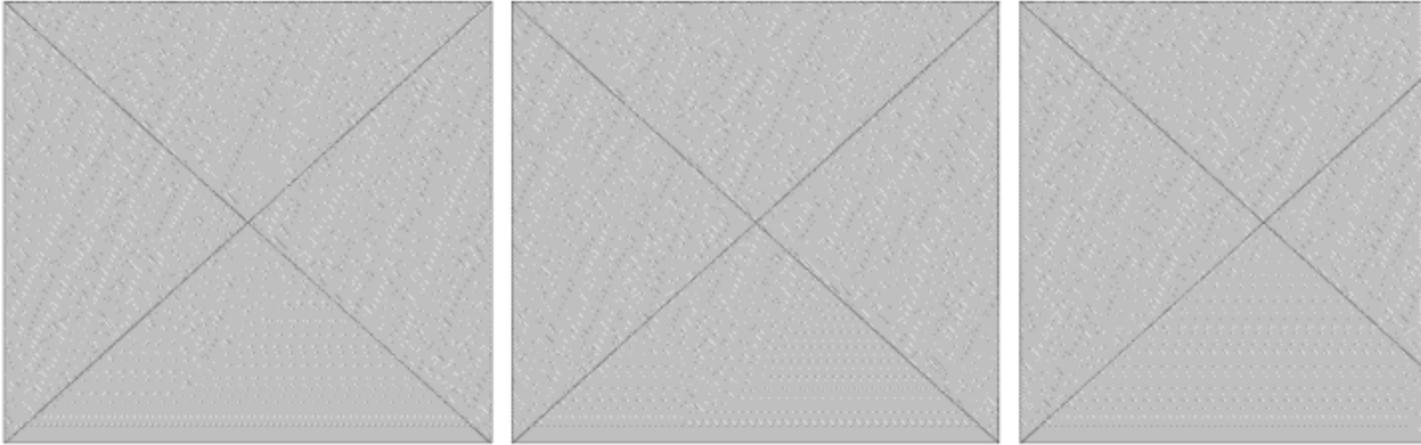

Houzz Tour: An 1898 Church in Wisconsin Finds Resurrection

Despite its dilapidated facade, architect Kurt Melander instantly spotted this Wisconsin church's architectural value. In the middle of a large field in the stunning northern Wisconsin landscape, this 1898 church was once a beautiful part of the landscape. [more »](#)

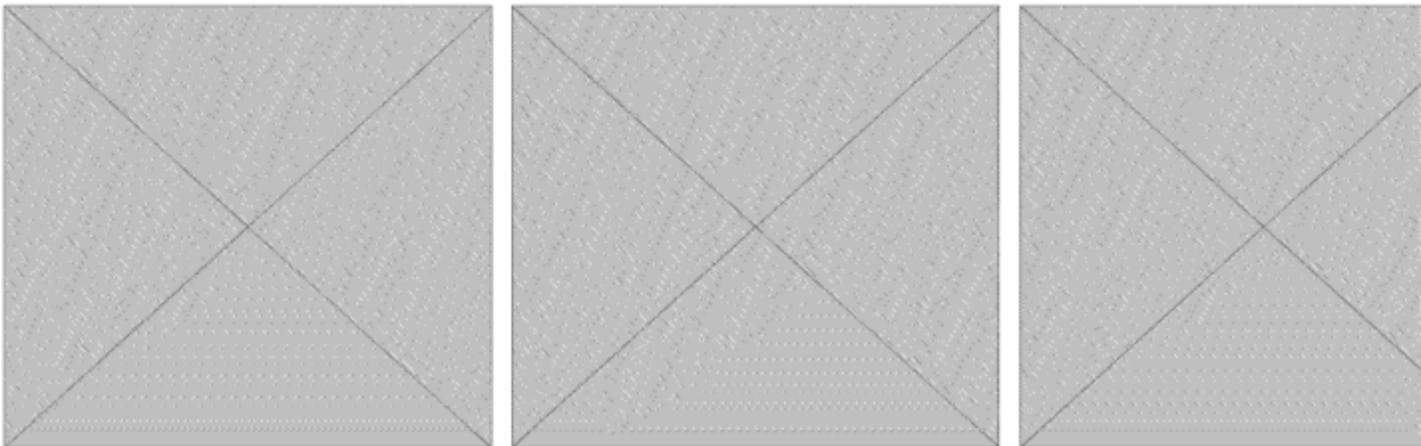

10 Amenities to Make Your Bathroom Extraordinary »

"Tub, shower, toilet, sink": It's the mantra of bathrooms. But even if you have them all and more (two sinks!), you may be missing some essential bathroom amenities. Add these top 10 to get on your way to the perfect bathroom for your home.

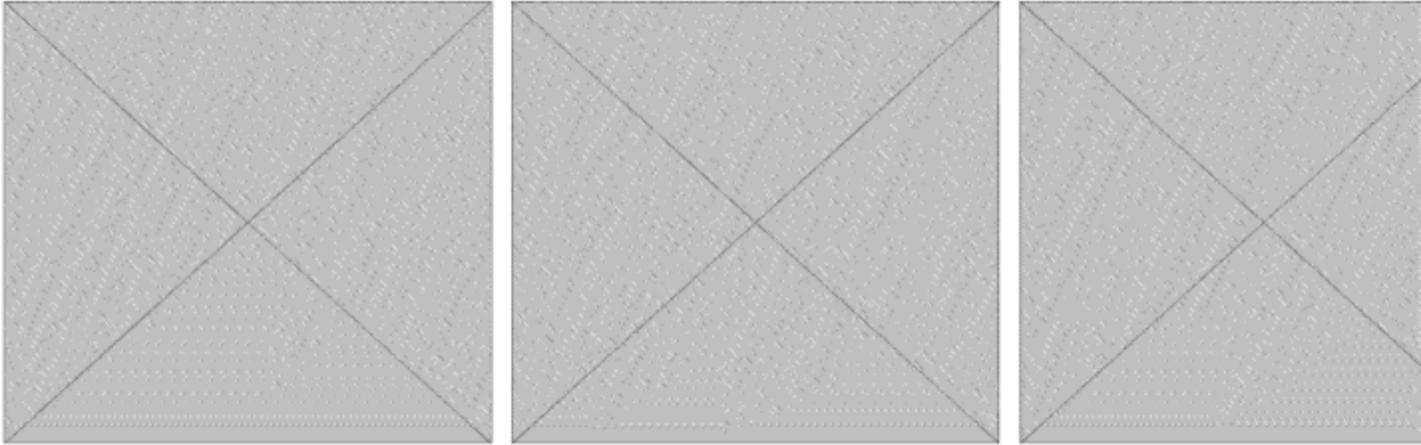

Houzz Tour: Creativity Captivates in a New Jersey Family Haven

Melissa de la Fuente might as well be crowned the Queen of Etsy. Her talent for zeroing in on the best, most wonderful creative handmade finds is apparent on her popular blog, Melissa Loves, and in every inch of the home she shares with her husband... more »

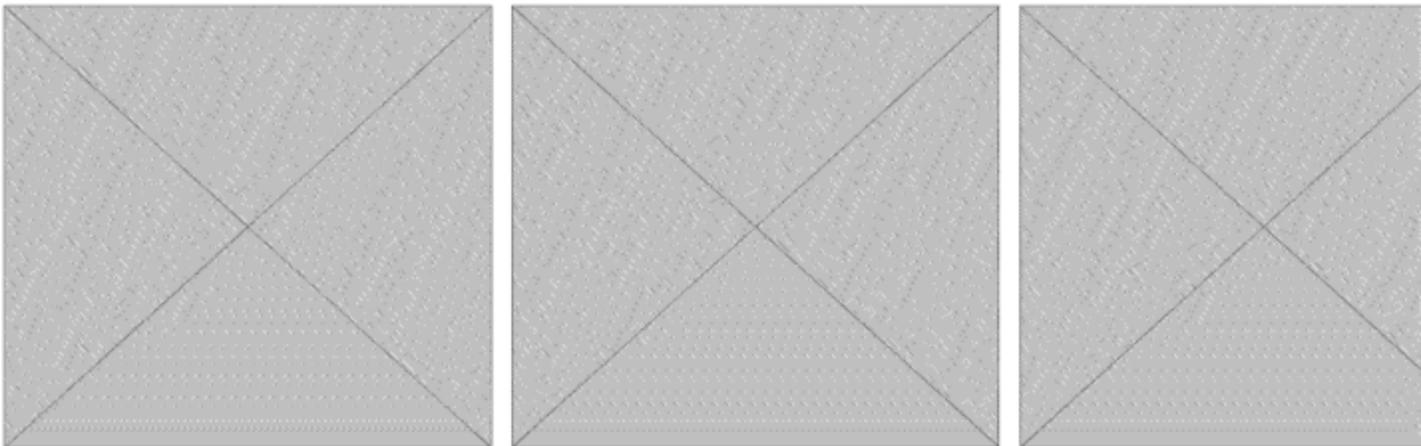

How to Grow Your Own Sweet Summer Crops »

Summer is the height of gardening season. Farmer's markets and roadside stands are filled with fresh produce, and home gardens are at the peak of production. It's a time when eating fresh and healthy is easy and enticing. To reach this...

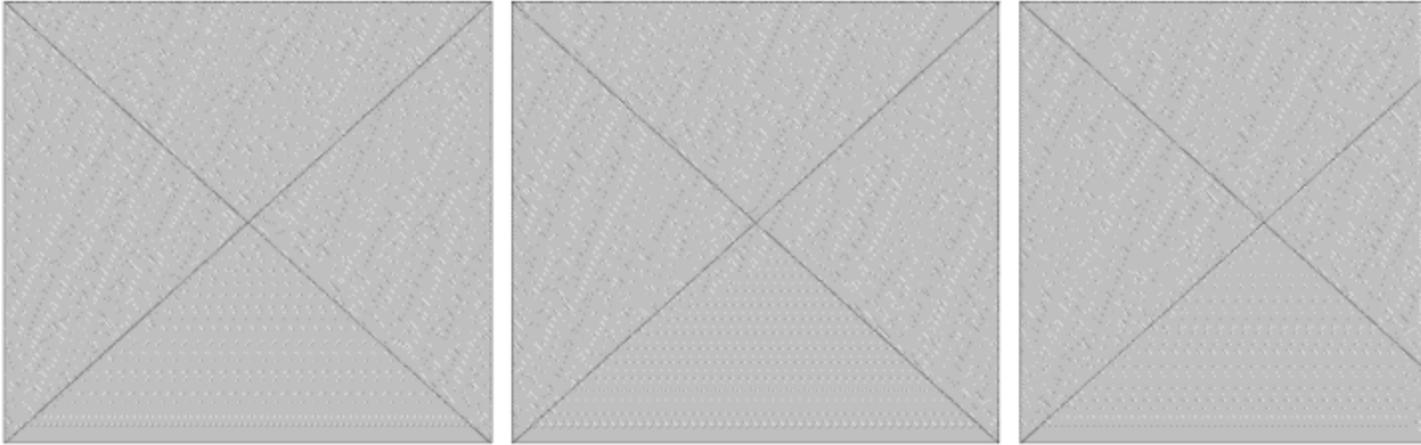

My Houzz: Two Floors With a Daycare in a Toronto Victorian »

When Stephanie Moore and Adam Dalgarno set out to find a home in west Toronto, they expected some serious compromises. "Our wish list was lengthy, and our budget was tight. Adam was new to the city, and I just out of uni and we both... more »

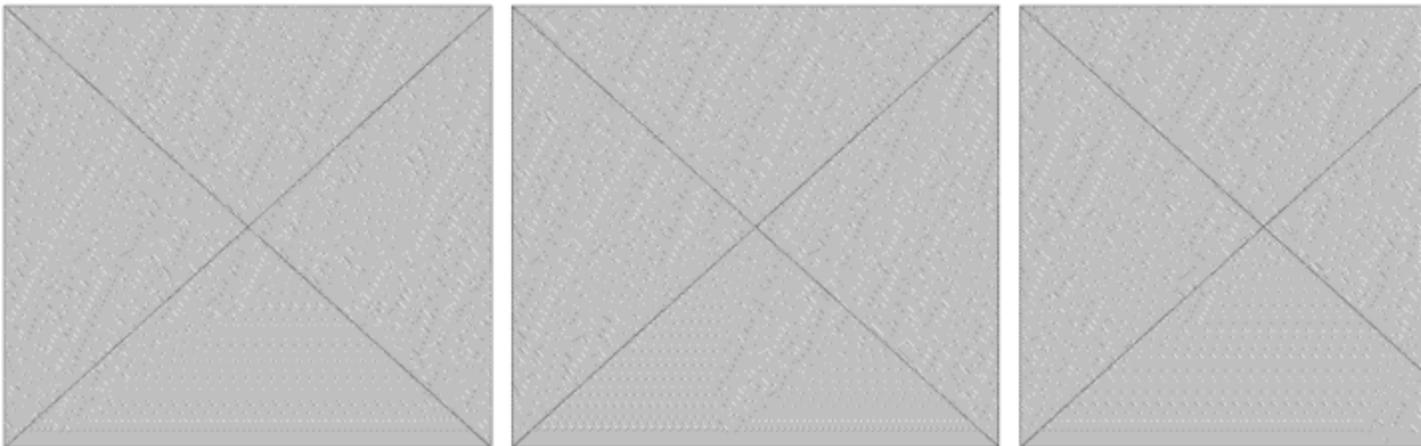

Contractor's Tips: 10 Things Your Contractor Might Not Tell You »

A contractor and a client can have a complicated relationship. When you're dealing with your home, sensitive and important issues arise. While communication is key, there might be some things we contractors aren't saying. Some more »

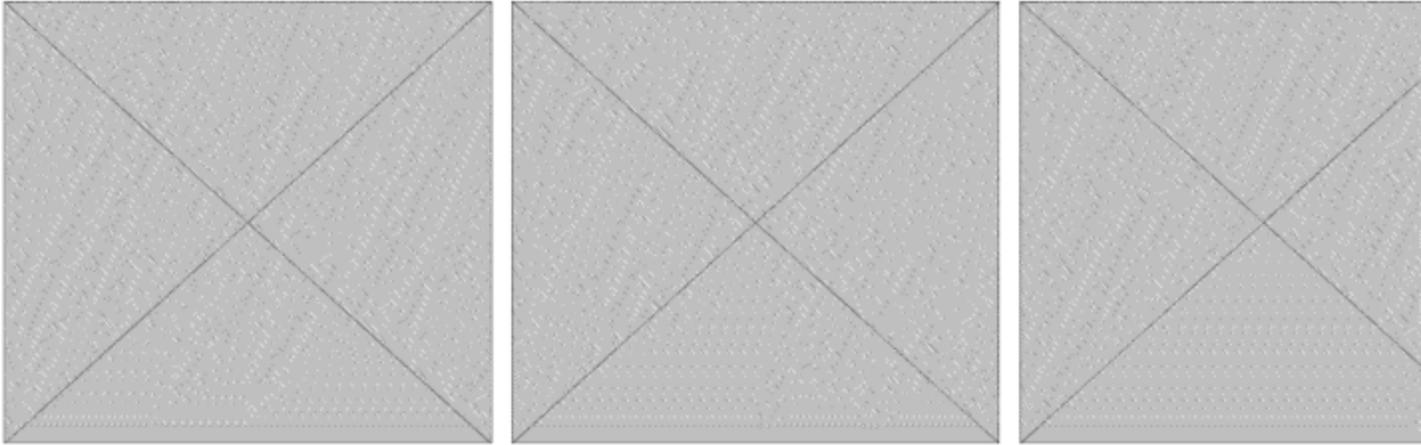

The Hidden Factors Driving Your Home's Design »

For most people, houses embody a style that is draped over the home's exterior and applied to its interior. Many people are comfortable picking a style like an entrée off a restaurant menu, but they're often not very familiar with what created it. [more »](#)

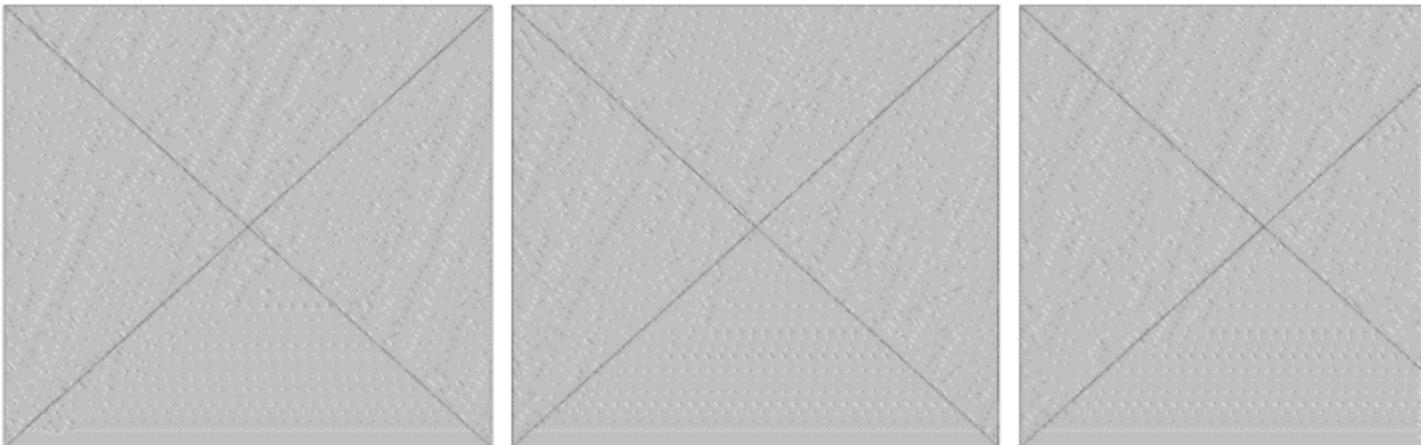

Garbage to Garden: A Vacant Philly Lot Gets Some Green-Thumb Love »

The owner of a new coffee shop in Philadelphia's Point Breeze area hired artist and designer Becky Bourdeau to create an open urban garden space and inviting seating areas in an abandoned garbage-strewn plot out back. Now a garden. [but... more »](#)

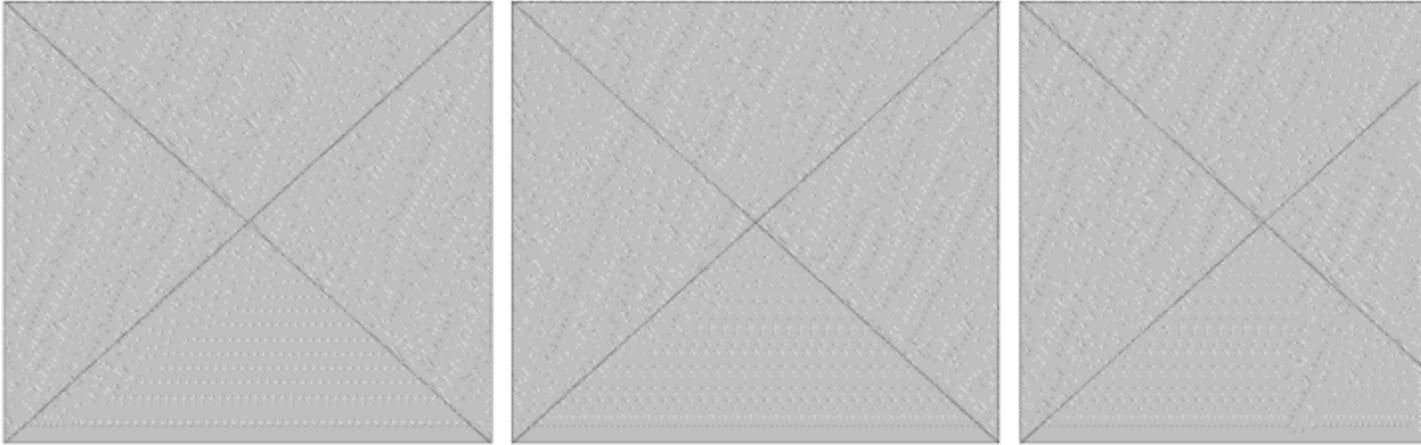

My Houzz: Tropical Modern Casitas Perch in the Nicaraguan Hills »

When Austin, Texas, native Robert Dull visited Nicaragua for the first time in 1997, he fell in love with the country and vowed to come back and buy land as soon as possible. Two years later he fulfilled his dream by buying 10 acres on a hillside... more »

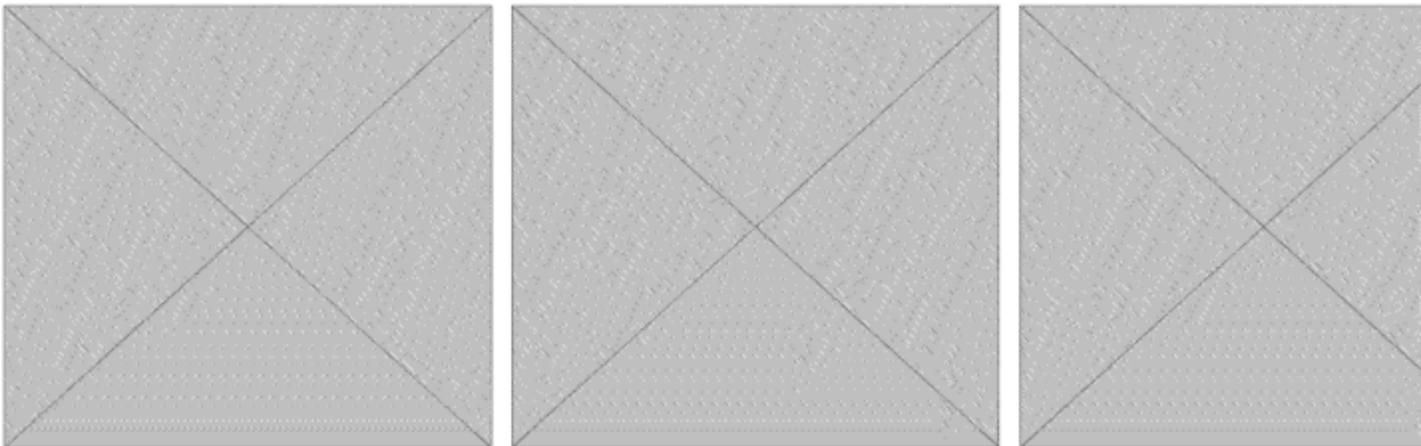

Radical Makeover Scoop — See a New York Home's Fantastic Transformation »

What happens when you have a house that's far from your ideal style and configuration? Sure, you love the location, but the house just isn't at all what you want. You've thought about moving, but you just can't seem to find the same setting...

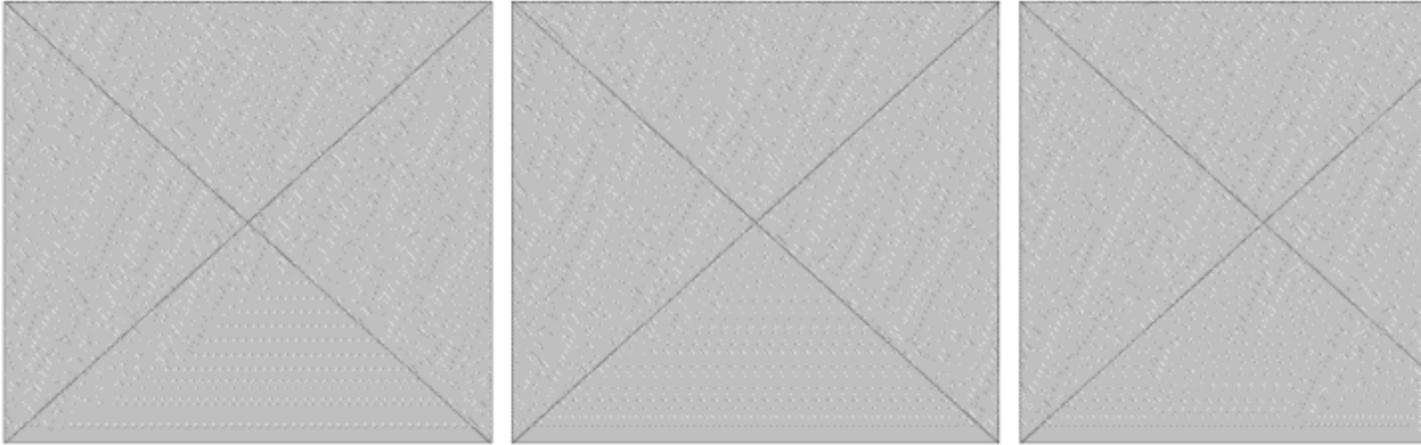

Borrow From the Bauhaus for a Modernist Landscape Design

Garden design was not taught at the influential Bauhaus design school founded by Walter Gropius in 1919, but the Bauhaus concept of bringing art, craft and technology into one complete work, the Gesamtkunstwerk, later found its way into... more »

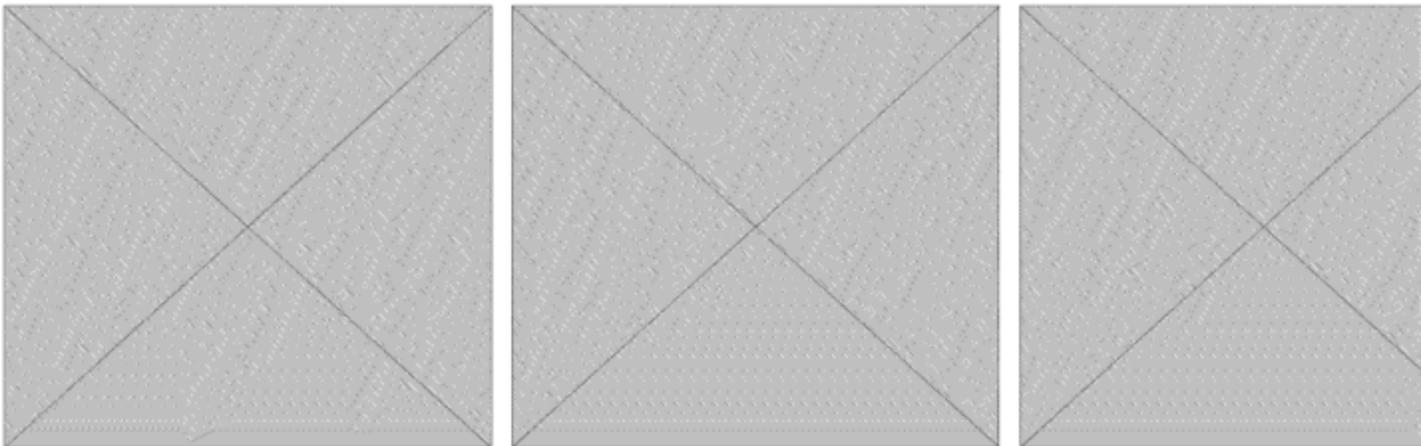

On Trend: 10 Hammers That Nail Great Design »

Whatever project I'm working on, I've found I enjoy it more — and am more likely to finish the tedious steps within the project — if the tools I use work well and are pleasing to look at. There's something about a quality tool that makes... more »

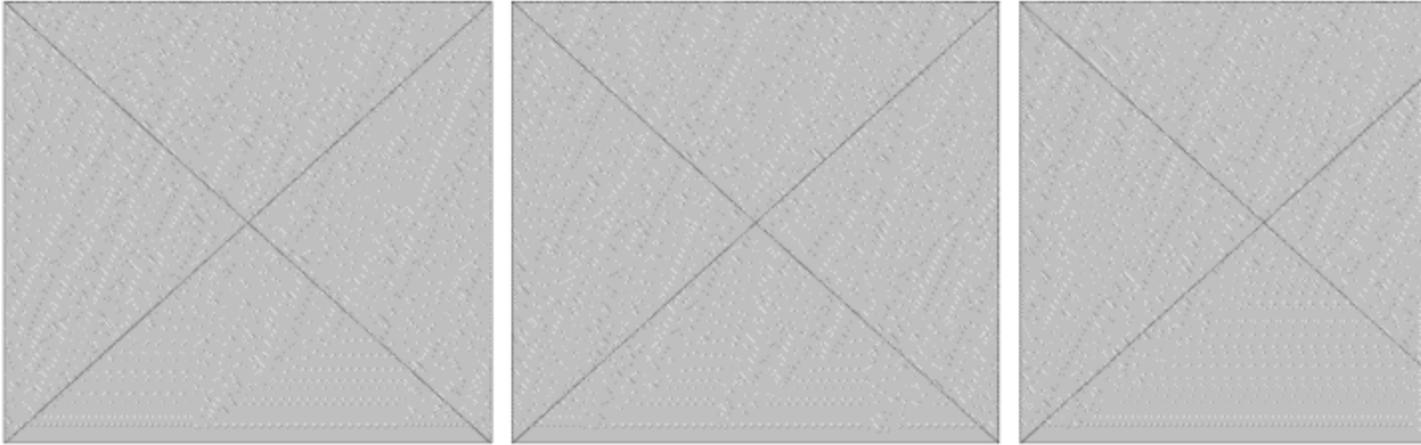

Embellishing Tricks for Cost-Effective Custom Curtains »

One of the most expensive elements of a well-designed home can be custom curtains. Throw in the fabric, lining, rods, rings and tracks, and before you know it, you've spent thousands of dollars. In this economy that's a tough sell. But there are ways to make it easier... more »

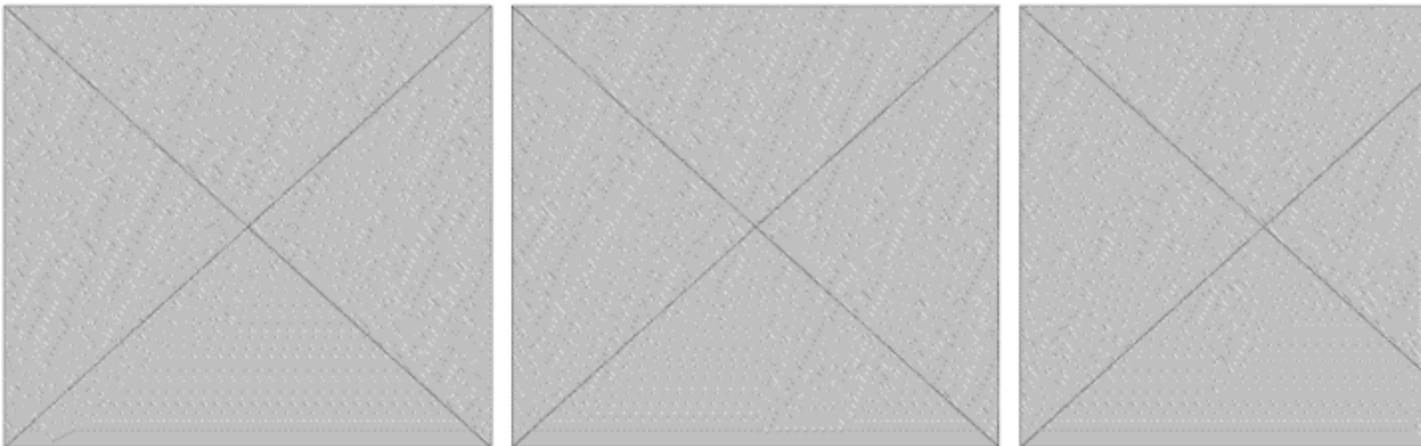

Great Design Plant: Peonies »

Sometimes the best flowers are the old-fashioned ones that Grandma used to grow, like peonies. These long-lived flowering perennials come in a stunning array of colors and are typically fairly low maintenance, making them a favorite among gardeners.... more »

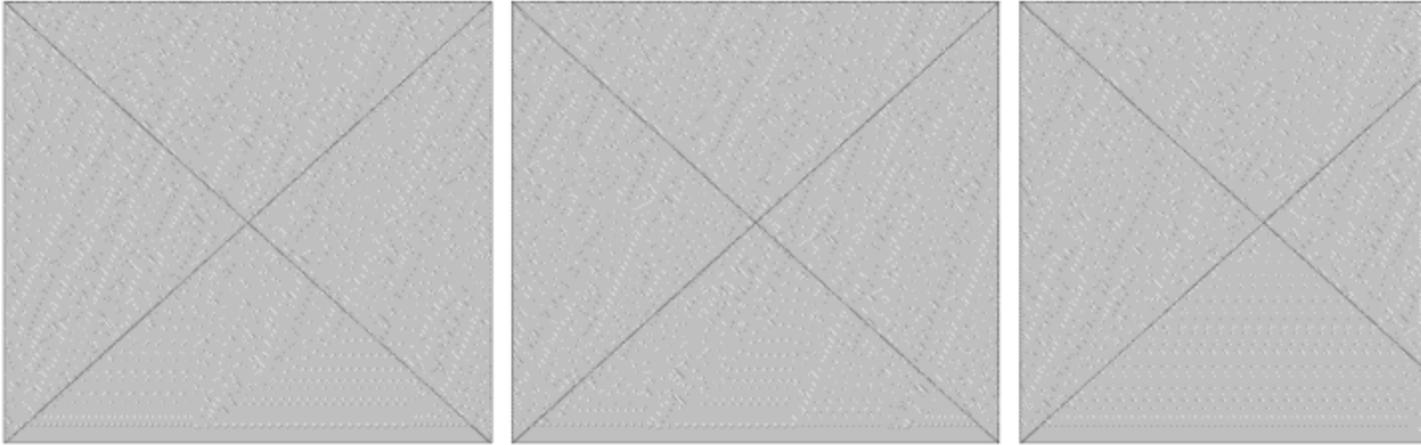

Guest Picks: Take Off With a Travel-Themed Room »

Bon voyage! OK, so maybe you're not going anywhere, but it's always fun to pretend in a travel-themed room. For adults and kids alike, these worldly accents add an air of adventure. Bonus: With all those maps, you'll be great at geography. [more »](#)

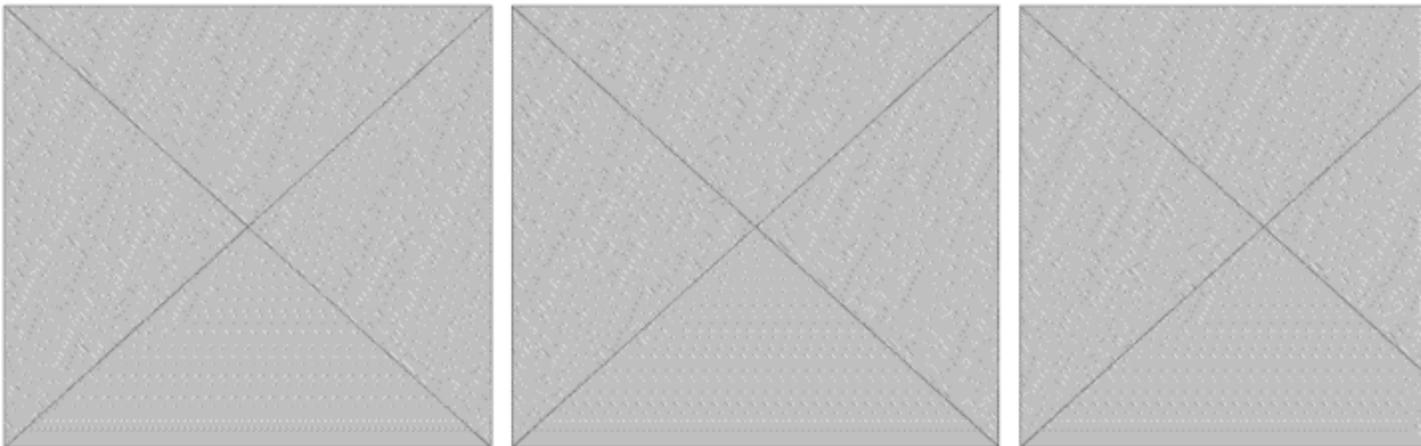

Design Safer Stairs and Halls With Universal Lighting Strategies

On any remodel or new build, special consideration should be given to lighting hallways and stairs. Navigating stairs and hallways is a challenge for people of all ages, for different reasons. Poor or diminishing eyesight afflicts some of us later in... [more »](#)

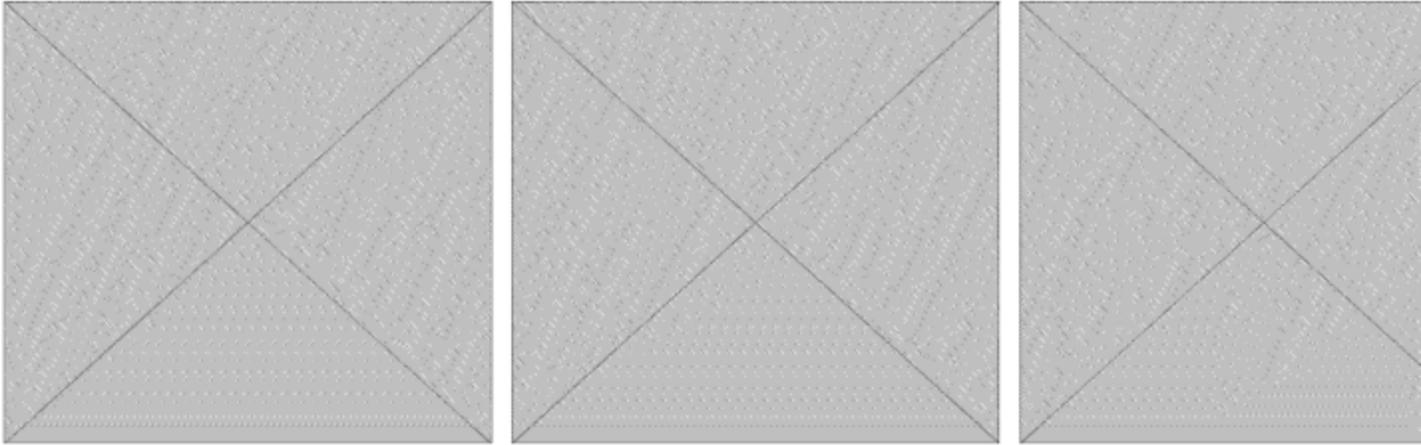

Guest Picks: Have a Ball With Matzo-Themed Accessories »

I'm getting ready to host my third annual Passover seder later this month. A key part of this Jewish holiday is the unleavened cracker known as matzo. Superbland on its own, matzo is quite delicious when scrambled up with eggs. [make matzo... more »](#)

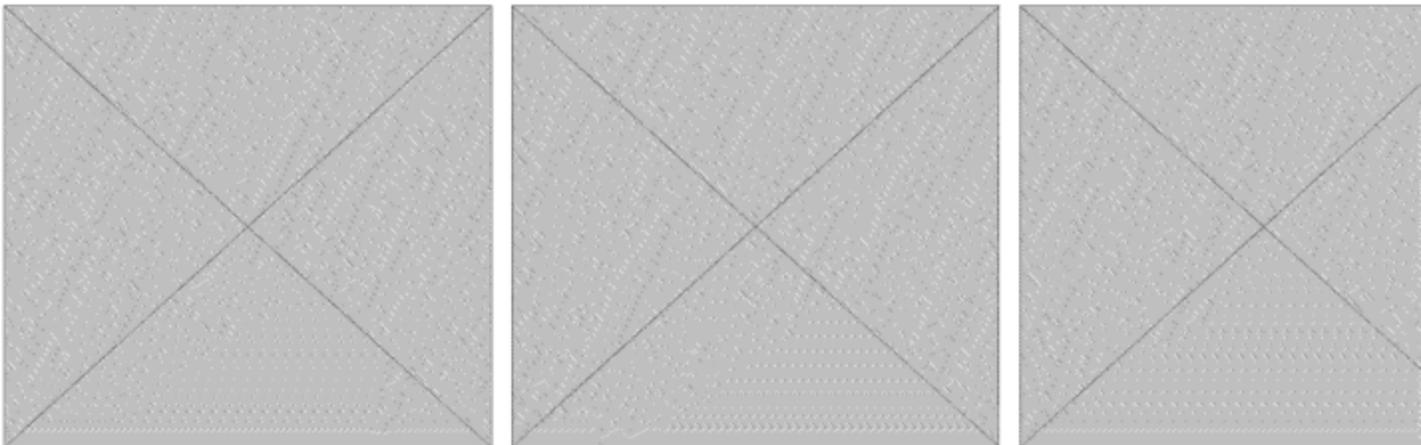

Summer Crops: How to Grow Watermelons »

Watermelon is the quintessential summer fruit. Though it's not in the same genus as other melons, its growing conditions are almost identical, just on a larger scale. Watermelons usually need even more space than melons — which can be daunting... [more »](#)

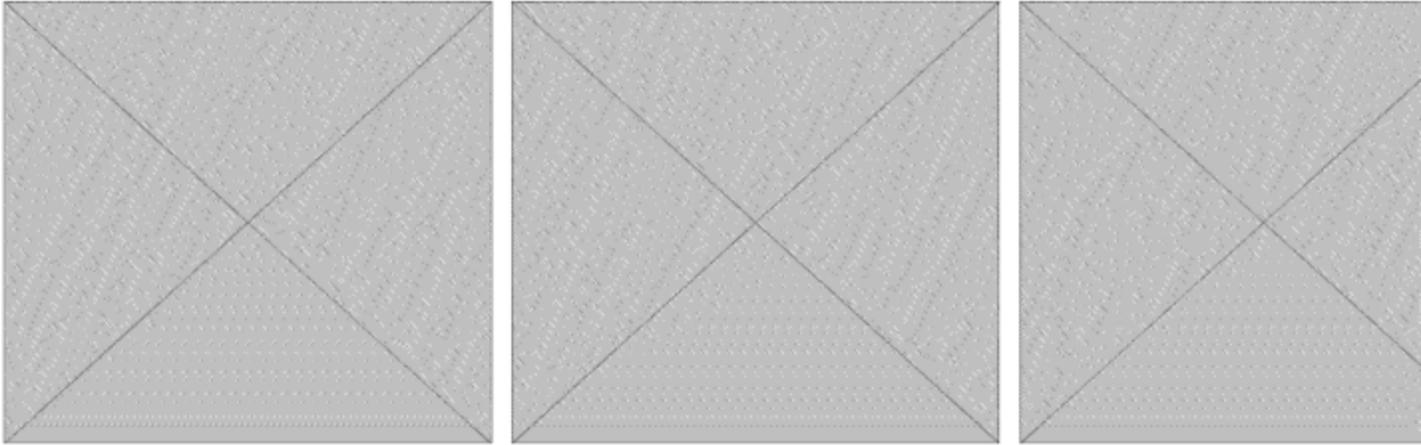

Convert Your Tub Space Into a Shower — the Tiling and Grout Phase »

The subject of tile comes up quickly on every shower build. What kind of tile should you choose? Where should you go? Who buys it? What size is needed? What kind of grout should you use? The information stream can be a little overwhelming,... more »

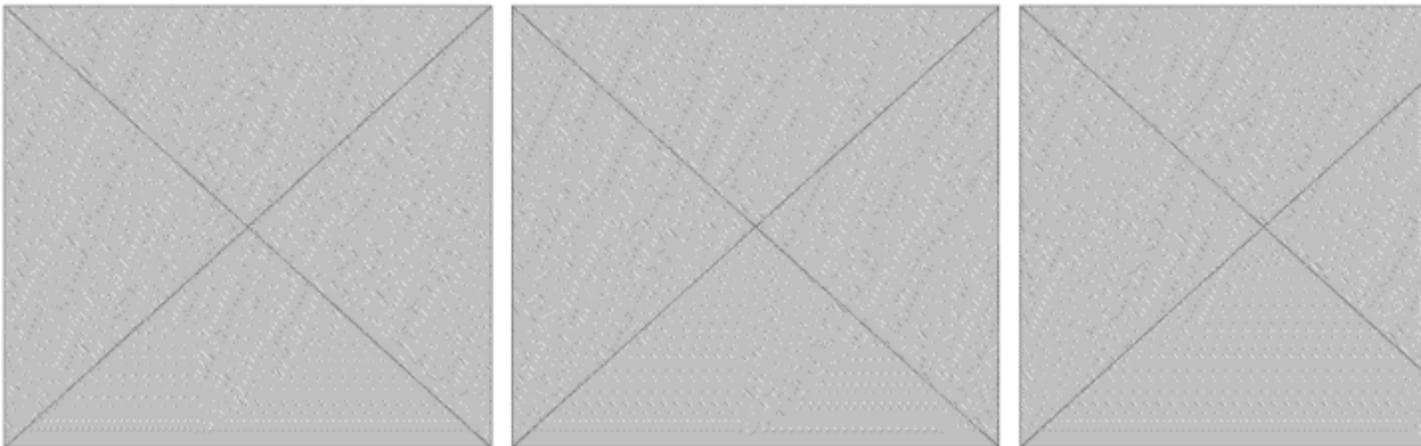

Get Glowing With Gilded Decor »

Gilding has been used to add shine and shimmer to our homes since ancient times. In this craft, fine gold, silver, copper, or aluminum leaf or powder is applied to objects. Even though the basic application has remained the same, generational techniques have evolved. more »

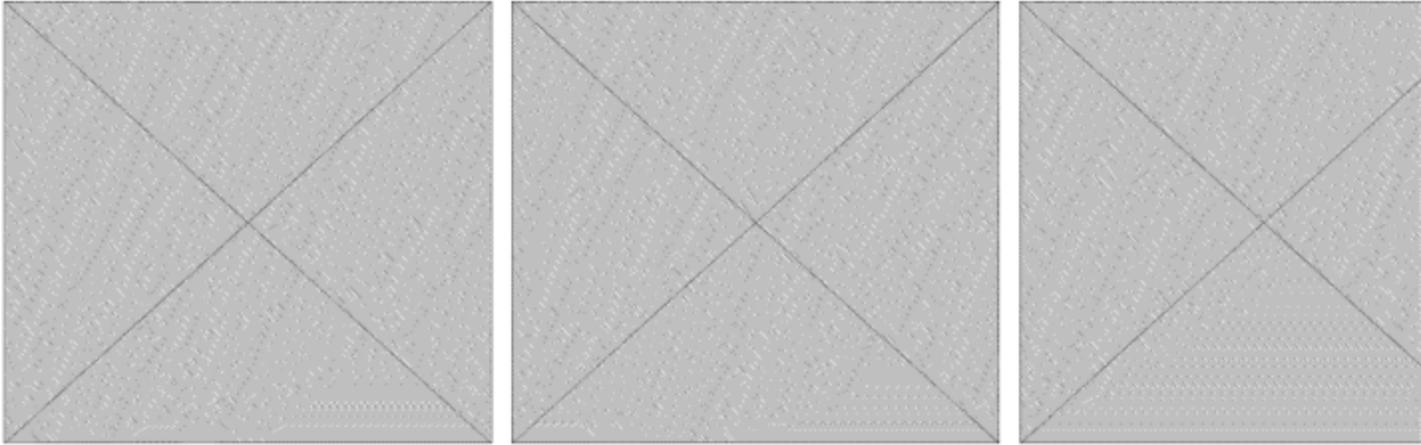

Summer Crops: How to Grow Squash »

New to vegetable gardening? Start with squash. This easy-to-grow plant is almost guaranteed to thrive and produce an abundant crop, even if you've never put a hand in the soil before. Experienced gardener? Branch out from familiar zucchini... [more »](#)

Guest Picks: 20 Mailboxes for Express Delivery of Style »

For a quick and easy curb-appeal booster, consider switching out your generic mailbox with a well-designed gem. Distinctive front-door accessories are an easy update that create a warm welcome. Choose any of these 20 mailboxes below or find... [more »](#)
