i didn't get the message in time. you have to ask him how i did!

after i talked to danny too and gave him a big hug and told him you said hi and then said "i am sure you don't remember me" and he said he did but he didnt, i could tell. i'm not super memorable. you are right he has something neurologic going on. he's not drunk but he has something that feels degenerative and looks very profoundly sad.

mckinsey suggested SDR and military offsets? aren't those things you suggested?

they are stupid consultants for sure but bill asked the "smart" people (advocacy types) to come up with innovations in finance and they hired mckinsey. most of them are ex mckinsey.

what about airline miles?

do you want to talk on phone?

remind bill that airline miles. SDR's .. military offsets. , are neither borrowings nor taxes,, Mckinseys suggested those two things as the only answer to innovative finance,, He is being bullshitted by mundane consultatns.
