Subject: RE: Betsy Ross

Some of people at dinner: Bill Gates, Nathan, Boris, Jeff Bezos, Paul Allan, John Doerr, Vinod Khosla, Crieg Mundie, Kathi Lutton, Steward Brand, David Levin, Stephan Wolfarm, Larry Page, Jim Breyer, etc.

Does this sound interesting to you?

Please do not mention this to any of these if you know as I do not think that the invite went out.

Thank you!

Boris
