Subject: Re: snail mail?

Hi! Now that I have your address, I will send a photo. Keep an eye out for the sexiness searing your mailbox!

I finally sold my condo in [REDACTED] last month, conveniently coinciding with finishing my book and my TV pilot (one-hour drama).

Hanging with my folks for Christmas in [REDACTED], then heading to Palm Desert to play polo for 3 months. Hopefully, while there, I will also:

1. get a literary agent and sell my book
2. get an agent in Hollywood and develop my TV series

and, since I have been a writer for 2 years now and really, really need a job (and want to interact with people again):

3. get a great anchor position, hopefully in the US.

-- which will determine where I move next, since I now have no house!

How are you? Where are you and what are YOU doing?
