Subject: IMPORTANT: PLEASE DO NOT SHOW PORTRAIT, ETC to Andrew.

Once it is in your apartment, you can offer to sell it to him, but bear in mind, that the French Government will block the sale, but then, they will have to match the bid. This painting is well known to the Louvre as it was a gift from Henry Navarre, who was her trusted French ambassador, and therefore, of great significance. It has been with the family ever since. Same with the other stuff.
