Subject: Re: Buck Plates

thank you
game plan this week
palms at triangle, gorilla, remove concert blocks five palms, haul little C & PRD for maintenance, finish carpeting dock, finish tree lights
awaiting confirmation of offers on red truck, light gensets, mini excavator, crane, will forward for approval once confirmed.

Jeffrey
Anticipating lull back on line Tuesday afternoon,
Total cost is estimates at \$3000.00 for repair
Instead of throwing away damaged boom I would like to recommend that we use the scrap metal for as bucket plates on the new tractor bucket and mini excavator bucket
It will extend bucket life
Cost would be 1200.00 to fabricate and install.
do i have your approval.
