

gates at columns taken off during pour so they would not be damaged, will re installed friday pm
forming at flag and grotto continues with pours tomorrow and next week
will hydro seed grotto near the end of next week after pours have been completed

I am not a beleiver in the jute. . Are we going to pour the grotto turn around?, hydroseed the
rest. .. I see there are no gates on the engineering columns? . did we collect the big stones for
the sundial. we should pour next week when i am there.
