Jeffrey

I have concerns that the rams may not last that long
This issue was brought to my attention over a year ago
And I have pushed this past my comfort level
Some may portray it as a safety issue
We have Boyson
Recommend I try for mid Oct haul out , maybe

Attached is the estimate for the repair of Big N
if we keep the barge then recommend full refurbishment @ estimated cost of
\$48,872.00
if we sell the barge in the new year, then recommend refurbishment @ estimated
cost of \$33, 862.00
my recommendation is, haul out, confirm scope of work and cost, then proceed
with only necessary repair to get us through the next few months
please note we do need to haul out to do the rams,

do i have you approval
