We will not need to return to NZ for final pack, a friend has offered to help out.
The Legal side will be handle via lawyers, fedex and Skype.
We still would like to take the time off from the 29th Aug to the 10th September
We plan to go to Jackson Hole, WY and hide in a cabin in the woods with the bears.
Is this OK

We have just received confirmation that our house in NZ has been sold
There is a high chance we need to return to sort out final details, packing etc
Therefore we are requesting time off from the 29th of August to the 10th September

If anything changes we will advise
