**Subject:** Air Center STT

Jeffrey,  
Nicolas just informed me that Rod at Air Center has raised his hourly rate on the long Ranger Helicopter from \$1,500 to \$2,650.00 per hour, this means an LSJ run is flat rated at 30min and will cost \$1,325.00  
Nicolas believes Rod is trying to shut down St, Thomas operation,  
just FYI  
thx  
Larry
