OMG... I am Sorry, I just now saw your message and I received from Sue already when I was with you. I did not want to interfere, but I thought, what do you want to say goodbye to me and get your favorite kiss from me below. I did not even wait for the latest designer in such a hurry to see you. I hope not in vain.

Have a good trip.

Take care,

I look forward to when you're coming back and already miss you, because I already used to seeing you every day several times.

Kisses,
