Subject: Seed News Release: Adam Bly on Capitol Hill

FOR IMMEDIATE RELEASE

ADAM BLY DELIVERS CONGRESSIONAL BRIEFING ON STEM EDUCATION

WASHINGTON, DC (June 21) -- Adam Bly, founder and Chief Executive Officer of Seed Media Group, will deliver a Congressional Briefing tomorrow, Wednesday, June 22, on Capitol Hill on the future of science, technology, engineering, and math education in America, offering his perspective and recommendations on how to re-architect STEM for the 21st century and kickstart the national innovation agenda. The Briefing is hosted by Congressman Jim Langevin (D-RI) and John Maeda, President of the Rhode Island School of Design.
