Subject: Fwd: Jessica Banks & transcript payment

Jessica sent me an email today...she is hoping she can work on this transcript next week...she is going to see her mom who will be recuperating from surgery and Jessica will have plenty of time to devote to this...she has even said she could pay for the transcribing and be reimbursed. She does not think it will be more than \$200. (If ok, What service should she use?)

The interview is 1 hour 24 minutes and 40 seconds. The transcribing service has 3 tiers of pricing and turnaround time.

1. 75 cents per a minute of transcribing, which is their budget pricing. They do not give you a guaranteed turnaround time.
2. \$1.50 per minute. Turnaround is guaranteed in under 7 days.
3. \$2.50 per minute. Guaranteed turnaround in 24 hours.

So really depends on how fast you would like this done. Jessica says she can not start on this until May 26th when she gets back home. Please let me know which service you prefer.
