Yes no problem will get saline.

I found elk at one place. They would have to order it and will take 3 days. Its very expensive. 39 dollars a pound and we will have to buy a minimum of 12-14 pounds... 480\$ for a meat I'm almost sure will be very similar to the bison. Very lean and flavorless when dried. I will keep looking unless you'd like to go ahead with this.
