Below from [REDACTED] May I reach out to Dr. Victor again via email and ask that he

I am so upset because I can't reach anybody from Victor's office.
They've told me that they'll be close for a few days but I guess it takes much longer now.
I need to start my treatment as soon as possible but I can't because they need to check my
pregnancy and give me an prescription.
Do you know anything about that?

You can call me anytime if you need.

Talk to you soon,
