Hello Jeffrey,

It was so interesting to run into you as I was walking down 5th Avenue this summer (August I believe?).

The coincidence was sharpened when, as an aside, Andres mentioned that you are friends.

Given that I brought him to show at the gallery, I thought I would reach out and encourage you to see our current exhibition of his work. Entitled *Body and Spirit: Andres Serrano 1987-2012*, we have key works from the Immersions series and they are beautiful to see again.

Two articles were just published that feature Serrano: a profile on our gallery owner Edward Nahem in 1st Dibs with great installation shots and an article about Serrano in Scene.

The pdf and a link are below. We are exhibiting at Frieze Masters in London and that's our great Warhol of Jackie Kennedy, 1964, that accompanies their Frieze Profile.

Look forward to hearing from you.

Best,

Janis
