Jeffrey. I am sharing this with you after asking Nancy's permission, as she is very careful about what she wants people to know about what she says, but she understands why I want to share it.. I think it says a lot..
best

Lawrence

Wow! Strikes me as uncharacteristic of Jeffrey to say such a thing as well. What magic we're spreading! Amazing. So glad he is happy for you. Really darling. And I'm so genuinely impressed by the warm accepting and supportive friendship that you have together. I think each of you recognises and appreciates in the other a set of characteristics that the rest of the world doesn't see so clearly. It's lovely to watch. I hope it continues. I think you're generous and respectful to each other in a number of complementary ways that suit each of your unique personalities, frailties and lifestyles. I'm pleased you share your happiness with him and I'm delighted he reached back out so quickly to celebrate it with you. I hope he is enjoying some respite now from the bruising media earlier this year. It must have been trying for him. (I'm proud of the way you handled your share of it darling. I really am).

When you talk to him next pass on my regards to Svetlana (but check that she is still around before you blurt it out!). She was gracious to us and I appreciated that. I hope she's well too, wherever she is, and didn't also suffer in the media hits.

Kisses baby.
