Hello [REDACTED]
Marakkesh is beautiful city but I always prefer fez. If he already decided on marakkesh, then there are very nice hotels to choose from starting with La Mamounia , royal Mansour or Sofitel. If he decided to visit Fez, then I will recommend Palais Jamai and we can assist him in all his needs. As you may know we are based in Fez
And our show room which consists of 18 pavilions of similar work to the moroccan court at the met is in Fez as well.
Let me know with his decision and then we will plan accordingly .

On a more somber note, I just heard that 14 tourists were killed by a bomb explosion in Marakkesh.

Thanks

Adil Naji
