just got phone message from arnoldo.. he is getting reservation requests for that time so wants to know when we might want to do it.. I agree with him that probably only a half-day is necessary.. unless you want a full day... so, which do you prefer? : morning of the 8th, afternoon of the 8th or morning of the 9th.. since meeting begins eve of the 9th I am assuming afternoon is out, but that is also possible.
