IT is not that i didn't believe you, it is just that i have given you large amounts of money in the past two years.. not including paying for boht school and rent, and other people having much less money, do not find themselves in your position. I would never look at anything you do, ever.. I don;t know where the money has gone . it is none of my business. . but i do know that it appears that it is excessive, sorry,

Thank You.

It sounded like you didn't believe me when I talked about money. I'm sending you a screenshot of current balances.

I don't bullshit you. I always assume you have access to everything I do and I have no reason to lie to you, even though you may not check it. I dislike this conversation so much, I try to delay it and use credit cards but I can't do that anymore. I must pay back over \$19 600 on credit cards and all I have is 900 spread across all bank accounts and 3000 in stocks/options.
