Jerry Barton is asking if he could stay in an apt. May 10,11,12...The event Jerry is going to attend is actually on Saturday, May 12, but he would like to come sooner in order to arrange additional meetings. He said to tell you that he realizes this is a long way away and promised to let you know immediately if there were any changes in his schedule.
Please advise if ok to tell Jerry yes to an apt May 10,11,12.
