Jeff:

See attached images and location of Strangers Cay.

I spoke with owner last week.

He wants to sell.

Island was \$20 million.

Will sell for \$3 million.

I think \$2.5M will buy this.

360 acres.

100 miles to Palm Beach.

Sets up perfect for a 5000 ft runway.

This is the cheapest large island available in the world today and a great buy.

I met with the Deputy Prime Minister of the Bahamas last week.

You can get Permanent Residency and a fast track to Citizenship if you so desire.

They are anxious for investment and will welcome you with open arms.

As always, I'm here to help anyway I can.

Thanks.
