

Is ok, Don't worry. I could have come to Paris...but can't come to NY. My passport is still in the possession of the UK border Agency in order to release me the work permit...if they do. I hope it will be finish soon the whole situation (on a positive way) because I'll go crazy soon if not. :( I also decided to broke up with the bf, he wasn't supporting me anymore...so now I' m homeless till I solve the situation I'm sleeping on friends sofas.

Hope you are good...  
Kisses
