Subject: online media pr

Hi Leslie,

I'm submitting all of the press releases to date to Online Media Pr. They guarantee a minimum of 150 syndications per release and optimize each one as well. Will send you the links of who picks them up.

will be sending you some more articles tomorrow and Friday as well.

The Pr.log article and the Jeffrey attorney profile both come up now on google's first page which is great.

many thanks!
