Dear Rod,

I have no idea who this man Scott is. I certainly do not wish to.

I did not make the remarks to the Telegraph, nor did i say the remarks quoted in the email below.

I made my comments to Geordie Greig at the Evening Standard. I did not say anything about child abuse, as quoted as the headline by the Standard.

I, Infact, warned Geordie Greig, infront of 2 witnesses, to be very careful as Jeffrey was convicted as a sexual offender, not a child abuser or paedophile.

I am back switched on .. If that helps?

Best wishes

Sarah
