I called Caneel Bay and they do not show any reservations for David Gergen...is it possible they are under his wife's name and maiden name? However, I don't know her name! The woman checked for guests who have already arrived as well as guests expected to arrive...(fyi-there are no phones in the rooms, the only way to get a message to a guest is via a note taken by the receptionist)

Nancy his assistant did not give me information for David's hotel...she gave me his personal email address and cell phone number. Perhaps did David give you name of his hotel?
