Dear Jeffrey:

We're sorry you are unable to join us for the **D9** conference, which kicks off tonight in Southern California. We wanted to take a moment to let you know how you can stay connected and up to date on the **D9** happenings.

Join us online at AllThingsD.com to keep up with our editorial team's live blogging of the event. We will be uploading photos and video highlights after each session.

In addition, you can tune into AllThingsD.com to see the below key sessions live streamed courtesy of **Lincoln**.

--Tuesday 5/31 at 6:00pm Pacific Time - **D9 Opening Segment with Eric Schmidt, Executive Chairman of Google**
--Wednesday 6/01 at 8:00am Pacific Time - **D9 Morning Welcome and Reed Hastings, Co-Founder and CEO of Netflix**
--Wednesday 6/01 at 4:30pm - **Afternoon Segment, with Jack Ma, Chairman and CEO, Alibaba Group**

Additionally, you may have heard about our recently announced [AsiaD: All Things Digital](#) conference, which will take place in Hong Kong, October 19-21, 2011. **AsiaD** is the inaugural expansion of the **D**conference to a global stage. We will feature both the influencers and the innovations shaping the digital revolution — uniting leaders and visionaries from North America and across Asia through **D**'s proven formula: unscripted, unrehearsed and uncompromising interviews and dialogue; live demos showcasing groundbreaking new products; and plenty of opportunities to mix with fellow participants in this most engaging environment.

To secure your spot, **and receive a \$500 discount, register before June 10th**, by completing the online form here: <http://allthingsd.com/d/asiad/register/>.

Thanks for being part of the **D** Community. We hope you stay connected this week and we hope to see you this fall in Hong Kong.

Best regards,

Walt & Kara
