*Good Morning,*

*Attached photos of Chandelier in relax room. Photos 81 - 83 have it at the height of 7' 5 from the ground, the remaining have it 8' from the ground, Please note that the pipe you can see was the length that originally was attached to the ceiling and there is a copper sleeve that will cover all of this.*

*Personally the 7'5 seems a little low*

*Please advise*

*Thank you*

*Warmest regards*
