That's crazy - the girl from the street!

This 10day trip is long, but things with [REDACTED] and I seem to getting serious. 10days are thought of as more of a trial (don't tell him)- whether or not 10 days is too long. If so, then "forever" will be too long... We haven't really spoken of this much, especially recently, but how do you "know"?!
[REDACTED]

[REDACTED] is off to London for 6 months after this, and my time is uninterrupted.

I have always spent more time with you than him, so i know we get along! :) -but if I'm even considering one day having a family with [REDACTED] or someone yet unknown, I'd like to know we can stand each other on a day to day basis. You hate hearing about the boyfriend deals, but I don't want to be stuck in this, as you would say "ruining your life" if 10 days will prove to be helpful in the decision. Maybe he's great, maybe its a painful 10days. How do you know!?
