Hi my darling friend,

I am sure you haven't forgotten Miss Honey!  
I am in New York briefly and thinking of you.  
I would love to see you give you a hug and catch up.  
Hope life is treating you well.  
I am also so pleased to know that all my little New York family, Anthony and Paul are benefiting from all your help over the years.  
I think of you with deep affection and remeber the fun times in our youth!  
I have sold your apartment at Eaton Square many times over, the latest sale ony recently, and still have the salt and pepper shakers which of course are a daily reminder.  
I am here for the Batmitvah of [REDACTED]!  
The eldest of his now 16yrs so how fast years go by.  
I would love to see you if you ever get to London, so please keep in touch.

I am still running my Real Estate Company, grown to 6 peoplen but it has been a struggle the past few years since the 2008 global financial crisis, and recovering from [REDACTED]

Am all OK now and really look forward to hearing/seeing you.  
This is my first time in New York for 6 years !  
Love lots of love,  
Aldine x
