Subject: LSJ Fuel

Jeffrey,

The fuel vendor will agree on the flat rate of \$ 1,000 for the use of his 4000 gallon truck in conjunction with using our 1500 gallon truck to make a few runs while his truck is loading the tanks.

Please advise if this is ok and we will need to wire \$ 99,900 to lock in the fuel price at \$ 3.33 per gallon. Jet fuel just went up .1799 cents yesterday and diesel is expected to do the same on Friday.

Thank you

Emad Hanna
