Jeffrey,

I am now deep into a divorce battle that I need to hire a law firm ASAP

I was wondering if there is any way that I can re-borrow the loan that I have been paying monthly since 9/30/10 of the \$20k loan which I believe comes to \$4,969.80 and if possible an additional \$5k which would make my loan at \$25k? and if it can be set up to pay back over a 5 year period instead of 3 years which will really help me since I will have to pay alimony for the rest my life and still try to keep my house.

I would really appreciate your help in this matter.

Thank you

Emad Hanna
