Hi Lesley,

Thank you so much! I wasn't expecting getting your response today but thank you for your swift replay!

yes i do think so too!;D

Because I most likely be carrying some heavy stuff with me such as a laptop and other school stuff and some clothes (dress and heels) I would say it would depend on what time I can check in into my hotel room. For example, if I can check in at noon than I can leave around 9 am and be there by that time). actually I just spoke to JE and I will be at the house tmr at 10 am so may be we can discuss on that in person!;)

Hi Lesley,

Hope this note finds you well.

I wanted to ask you if you could help me to organize a round trip to Washington DC on October 22nd and hotel for that night

Jeffrey wants me to attend to this event, there is the address if you follow this link <https://my.bidr.co/events/ypfpaffairsofstate>. Event starts at 8 pm and ends 11 pm but I am pretty sure it will be prolonged for people who wants to network. So JE thinks it is better if i stay night and come next day. I was thinking may on going there earlier depending when I will be able to check in into a hotel room to leave my belongings and may be explore around after) Let me know if you have any questions! Thanks! ahhh yes may be it's better if you text me if you don't hear from me, as I don't use this account though my phone
