Hi There! What a fun Texas BBQ Party!
Here are the 135 photos including 36 footwear photos. They are unedited, in the order of the evening. Some are photographically excellent... some are great candid shots... and some are... well, just fun.

You are getting the whole load in this Flickr Album. You can download any you want. They are 4-5MB each, so you have plenty to work with if you want to make a 16X20 print, LOL!

FLICKR NOTES: On-line photo viewing system: You can view posted photos and download images to print for your own personal use.
Click on "Slide Show," the box with > upper right. Note you can pause || and escape.
To DOWNLOAD, view any individual photo, then click on the down arrow ↓ lower right of photo, select the resolution you want and click through to download.

Enjoy!
