Subject: Re: [G3 GLOBAL] Passport Card request received; original Primary Passport and new Letters of Authorization required

Brad, please send back Jeffrey's 4 year passport for SATURDAY delivery using our fed ex number provided to:

Jeffrey Epstein
9 East 71st Street
NY, NY 10021

Please send Priority and provide me with the tracking number.

I will send you Jeffrey's 10 year passport on Monday for Tuesday delivery. I need to keep one passport with him at all times-so need to wait until the 4 year is back in house! (and you are closed Monday anyway!)

I also have the 2 Letters of Authorization printed out with only the 2 boxes checked off with his signature...will include with the 10 year passport.

Thank you,
[REDACTED]

Good morning:

We have received the Passport Card request you provided. However, we will need the following:

- Updated Letters of Authorization (first two boxes checked, third box unchecked) with the applicant's original (pen-on-paper) signature & date in blue or black ink
- Original Primary (10 year) Passport

We can ship back the Second Valid Passport at your request, but will hold on to it until you advise us to do so.

Please let us know of any questions. Thank you.
