Subject: Re: HBRK - Apple watch

Just called Apple store again. Unfortunately they can't help today as waiting period for the watch is 3-4 weeks. Les, you can pickup the band at any store, just make sure to tell the salesman to apply purchase to HBRK business account and you will receive 7% discount. Please let us know if you would like to order the watch with Apple store business team. You can always call them at (646) 343-2703. You can use JE Amex for payment.

Thank you,
Bella
