Subject: Reminder:dinner w/Tim Zagat wed?

Reminder Tim Zagat can do dinner a bit after 8pm this wed. He and his wife will be at a function until then. However, they have been asked to go to dinner after this function but would prefer to see you! If dinner for you wed won't work they would like to know now so they can accept the other invitation. tim also wants to bring you 2 copies of your book.

Please advise if you would like to have dinner with Tim on wed about 8:15.
