Dear [REDACTED] & Ike,

Not only did Josh & I enjoy a fun night hanging with NC friends & your sweet parents, but you welcomed my sister as well! It was the highlight of her stay with me!

Coming from a small island, her trip to Costco & Trader Joe's is the usual highlight...but thanks to you & Ike: your party took the cake!! Thank you for a fabulous time & welcoming my sister!

See you soon...at next weekend's game!!
