Subject: Apple Watch w/Hermes Single Band

The Apple watch with Hermes Band is not in stock anywhere in NY (I checked CT near me, not in stock there either) The Apple Hermes Watch comes as a set. In the box you receive the watch, a red (rose) leather single tour band, a orange sport band, charger and power adapter. It will take 5-7 weeks to ship to us. The specific band she wants, the Etoupe Swift Leather Single Tour band is in stock and available to pick up from the 5th Ave. store today.

I can keep checking all the stores in NY and CT every day and if the box set comes in, I can cancel the order I place on line.

Do you wish me to place an online order for the Apple Hermes set today and have Juggly go pick up the extra band i order from the 5th Ave. store today?
