Sign-in attempt prevented

Hi [REDACTED]

Someone just tried to sign in to your Google Account [REDACTED] from an app that doesn't meet modern security standards.

We strongly recommend that you use a secure app, like Gmail, to access your account. All apps made by Google meet these security standards. Using a less secure app, on the other hand, could leave your account vulnerable. [Learn more.](#)

Google stopped this sign-in attempt, but you should review your recently used devices:
