Subject: Would you like to be an Extra in Woody Allen's movie tomorrow at 6am!

Hi [REDACTED] and [REDACTED] will be going early tomorrow to be an extra in the movie Woody Allen is filming...Jeffrey is asking if you would like to go with them...do you have school? or would you be available...it is an early start but would be very memorable! not something you get to do everyday! I think they will need to leave by 5am to get to the set on time..Please let me know so I can inform Woody's assistant as soon as possible...thanks, [REDACTED]
