Subject: Re: Would you like to be an Extra in Woody Allen's movie tomorrow at 6am!

will try to find out about timing tomorrow!
We had discussed going on Thursday as well...will need to follow up on this however
Let me get back to you..

the movie Woody Allen is filming...Jeffrey is asking if you would like to go with
them...do you have school? or would you be available...it is an early start but
would be very memorable! not something you get to do everyday! I think they
will need to leave by 5am to get to the set on time..Please let me know so I can
inform Woody's assistant as soon as possible...thanks, [REDACTED]
