I think it may be best to wait after JE leaves...he is due to go Saturday...so finish up on Monday?...I know you both want it done, but this will give you more time to unpack at the BF's? and you won't infringe on JE needing Jojo...

I'm still thinking how's better to do .  
[REDACTED] is busy tomorrow at the house so she won't be able to help me ( and I need her )  
We thought maybe on sat ? After JE's departure or yes - Monday .  
Or even maybe tomorrow . But JE may need Jojo so maybe then later in the afternoon tomorrow !?
