Hello! I'm helping [REDACTED] moving this morning,  
After I'm done-around 1pm.. could go to the house to pick up that special paper from the  
embassy. Would anyone be there to open the door for me?

Morning [REDACTED]...will you please go and pick up Jeffrey's Chinese Visa today? Let me know  
once done as we will then need to work on getting him a passport card. I have the paperwork  
filled out...just will need your assistance with sending it in...I can walk you through it all!!

thanks! [REDACTED]
