Morning! Glad all is well with you health wise!

And great you met alone with JE! 💎

I will take care of passing out the phones to the girls!

We had discussed the item for STC after you left yesterday! I put it on my desk with a post it note that said rich but I'm sure easily missed! I don't think Darren is coming today !! JE suggested a phone call instead ! Ha! I can get someone to take envelope to office before Friday!

And always happy to help coordinate you and JE and anything else!!

Have a great day. [REDACTED]

Thank you as well for arranging my meeting with jee. I met with him from 5-6pm and the best part was that Darren was nuts that I was going there alone....

Regarding phones jee gave [REDACTED] her phone and I left an apple bag next to your printer with 3 phones with stickers for who they are for [REDACTED], [REDACTED]. [REDACTED] is last phone we are waiting on and I have been in touch with her.

Thanks for all your help and I am available all day for emails and calls. You never gave me paperwork to fed ex to Cecile so please give to Darren today. Thanks.
